*2017 is a great vintage for the Dry Dam Riesling, named after a neighbouring farmers dam that year after year was either dry or didn't hold water! Teeming with white flowers and granny smith, backed by a lovely core of lemon and lime. The sweetness on the palate is tempered by a sustained seam of perfectly pitched acidity. A sherbet-like note is typical of classic Riesling years in McLaren Vale and is unmistakable in this wine. Not a hint of metallic hardness, the mouthfeel is so refined and balanced.*

The 1925 Brewing Co. was founded in 2013 in Singapore, and remains proudly Singaporean till today. Founded by two brothers and their uncle, the company bears the birth year of their grandfather; a tribute to the first generation of Singaporeans, honouring the spirit and grit they embodied that helped build the country, with the hope of passing on the same torch to the later generations.

All the beers we brew are inspired not only by our fondest memories whilst growing up, but also, what we hope to redefine as beers befitting the Asian palate.

Being brewed proudly in Singapore, it is hardly surprising to find our beers featuring a plethora of Asian flora and herbs, and even with different styles of Asian teas.

## TEA

### *Per Pot Serving*

10

#### **British Breakfast**

This one's of three distinct tea types all blended to robust perfection. Now, looks like your good morning brew just got better by three folds.

##### *Ingredients*

*Black tea blend of Assam, Kenyan and Ceylon*

#### **Coba Cabana**

We blended a boldly unconventional brew of South African Bush tea and sweet fruits further complemented with zesty and uplifting herbs. You get an attractive top note of ripened tropical fruits with a light acidity and a refreshing hint of herbs on finish.

##### *Ingredients*

*Rooibos, Greenbush, Lemon myrtle, Candied mango and pineapple, Peppermint leaves, Basil leaves, Lemon peel*

#### **Osmanthus sencha**

The delicate green tea base hits you on first sip, then the gentle caramel notes speak to you. You take a second sip and what greets you is a well-rounded sweetness, creamy and harmonious flavours dancing on your palate. We're guessing it won't take long before you reach for a second cup.

##### *Ingredients*

*Green tea, Osmanthus flowers*
